RETURN FORM old parts

Please note the following points for a successful return:

- **The return form must be completed in full and enclosed with the old part. This is the only way to ensure a smooth deposit refund.**
- The customer or buyer is liable for damage caused by leaking oil / fuel or inadequate packaging
- Old parts can only be recognized as old parts if they are complete and identical in construction
- The housing must not have any breaks or cracks
- the respective old part conditions as agreed in the offer apply to the processing of the deposit
- The costs for return are to be paid by the customer / buyer
